

Dear Colleague,

Welcome to the **DigInT Training Platform**! Your account has already been created, and you can now access the platform to begin your learning journey. Please follow the instructions below to log in and navigate through the available courses.

How to Access the Platform:

1. Go to the DigInT Training Platform: <https://traininghub.dcae.pub.ro/>
2. Enter your **username** (your registered email address).
3. Use the **default password: Digint2024@** (please change it after logging in).

Navigating the Platform:

- Once logged in, you will land on the **Home Page**, where you can see the courses you are enrolled in.
- Click on the **Home tab** to explore the **three learning paths** and their corresponding courses.
- To start a course, click on its **name** or the related **category (e.g., Internationalisation of Education)**.
- Use the **navigation pane** to access different **modules or activities** within the course.
- You can use the **arrow buttons** to navigate between sections and enter **full-screen mode** for a better learning experience.

Additional Information:

- A **presentation video** is available to guide you through the platform's features.
- If you encounter any issues accessing your account or navigating the platform, please contact **gabriel.dima[at]jupb.ro** for assistance.

We hope you have a great learning experience with DigInT!
